Upon entering the home you are greeted with a large central hallway that leads past the front formal lounge or children's play room to the central hub of the home which hosts the kitchen, dining and family area which then leads to the outdoor entertaining alfresco.

The large master bedroom suite which is located at the front of the home, completely separate from other areas of the home, consists of a fully outfitted walk in robe and adjoining ensuite bathroom with a shower, toilet and sliding door to boast just a few features.
