3 1 1

Location, presentation, functionality and size are all key components when searching for your new home and now an added bonus if it is in the rezoned area of Craigie. 2 Otway Place delivers all those key components and will make for a perfect investment or live in home while you finalise your plans to develop. Being in the R40 zoning area and a corner block makes this 793m block a triplex opportunity with double street access for driveways and garages.

This property is set in an ideal location just around the corner from Whitfords City Shopping Centre and in a quiet family orientated pocket of Craigie. Craigie is only a short drive (3km) down Whitfords Avenue to our wonderful beaches and Hillarys Boat Harbour which boasts an array of restaurants, specialty shops and entertainment options such as AQWA.
