

17 Brown Street Pingelly WA

3 2 9

You will be impressed with this 1993 Spadaccini built double brick and colourbond 3 bedroom, 2 bathroom two storey home situated on a large 2577sqm corner block!

Offering large, spacious living areas, a well appointed and functional open plan kitchen, spacious bedrooms, large rear yard with side driveway access, large front yard and a huge triple garage with double height caravan roller door this home has it all catered for.

Ideally positioned on the edge of town overlooking the golf course, walking distance to medical facilities, tennis, football, lawn bowls and newly built community centre, everything is at your fingers tips yet still in a quiet, easy care location.

Property Features include but are not limited to:

Land Size : 2577 sqm
