

106/68 Southside Drive Hillarys WA

Sometimes a property comes along that just makes sense. This low maintenance 3 bedroom, 2 bathroom apartment, nestled right in the Hillarys marina precinct, is perfect to either live in, retire in, or rent out, and is literally within walking distance to the beach, shops and all the marina has to offer.

These apartments don't usually make it to the market because they are snapped up by existing owners or holiday makers that have stayed at the apartments on a short term basis.

Prestige Property Perth has gained exclusive access to this gorgeous apartment that allows you to relax on the balcony, overlooking the pool and facilities while enjoying that ocean breeze and the crash of the waves right outside the precinct
