From a quiet, tree lined street, you will step into a well lit, air conditioned open plan design, that provides for both communal or private spaces, depending on your need at the time. Featuring a modern and well appointed wrap around style kitchen, that boasts plenty of storage and cupboard space, a generous granite stone bench top, a double sink and stainless steel appliances. The central breakfast bar is convenient, and overlooks the generous dining and living areas, that offer more than enough room to comfortably host dinner parties for family and friends. This wonderful living space also flows nicely out to a shaded courtyard, that is once again ideal for entertaining,
