This property has a separate standalone brick workshop, with brand new roller door and power in the backyard of the property, and if that wasn't enough there is also a large shelved lockable storage space directly behind the workshop, plus an additional storage annex.

Large items, or equipment for the workshop, can be simply wheeled through the garage, which has another roller door on the rear as well.

At the front of the house is a large carpeted front lounge and dining room, which has sliding door access to the sheltered paved patio, and is just right for entertaining. The
