

19A Tillingdon Way Morley WA

3 2 2

Growing up on a street where the kids get to play with their friends is somewhat a thing of the past, but this Australian tradition can all be yours again, whilst still being close enough to the hustle and bustle of daily life.

Location wise, 19A Tillingdon ticks all the boxes. Its located on a quiet street, yet only minutes away from Morley Galleria, Noranda Shopping Village and the direct arteries into the city and beyond.

From the main entry to the alfresco dining area, this property will not disappoint. It has a welcoming flow that provides you a sense of homeliness as soon as you step inside. Featuring 3 great sized bedrooms, with the main providing a giant built in robe and a spacious ensuite, this home is just perfect for those living alone, a couple or even a small family.
