

## 12 Liwara Place Greenwood WA

4 2 2

This charming four bedroom, two and a half bathroom family home is huge, and comes complete with a secure double garage, beautiful reticulated gardens and is kept comfortable all year round via the reverse cycle split system air conditioning unit. With the added bonus of tranquil garden views from most of the well placed windows, and with all space a family could ever want, this fabulous home is must view!

Featuring a large combined family/meals and games living area, a good sized formal front lounge that boasts a cosy wood burning combustion heater that is just ideal for adding some winter ambience, along with warmth when required, this home offers all the living and relaxation space a family could ever need.

The master bedroom is a true parents private retreat, as it
