Have you ever wanted to live in a large 2 storey property, but don't want to deal with the stairs all the time? Well this home features your very own private elevator. Beautifully designed, and finished with quality fixtures and fittings, along with some very clever features, this home has the lot. With three large bedrooms, three multi use bathrooms, a spacious elevator and a triple car garage, it won't matter if you're a couple, or a growing family, there is enough space here to accommodate whatever suits your needs.

Featuring a gated entry to both the home and the driveway, along with a courtyard situated under a high cedar lined ceiling. This wonderful courtyard has power, plumbing and gas outlets, that will enable you the ability to fit out your own private bar and BBQ area, with the tiled wall adding a further touch of elegance to this beautiful outdoor space. A stairwell with a lovely hanging light fixture is your entry, with
