68 Seacrest Dr in Sorrento is a tri level, one of a kind, custom build home with the highest ceilings I have seen for a home of it's era. It is unique and captivating and with some imagination it could be completely transformed into one of the premier homes of the area. The main home consists of 5 bedrooms, or 1 as a nursery, formal lounge, formal dining, informal living and dining areas, a lovely kitchen overlooking the rear yard plus huge balconies across the front of the home! The bottom level consists of a
