Not often do you get the city combining with nature, but that's what you get with this stunning 1 bedroom, 1 bathroom, furnished apartment, that offers a first class outlook onto the gorgeous Harold Boas Park, yet comes with a city lifestyle.

Freshly painted throughout, and with a brand new television and dining suite, this fully furnished apartment (except bedding) features stainless steel appliances within the open plan modern kitchen, that flows neatly onto a generous dining & lounge area.

Sliding doors open directly out to the balcony, and offer you that sense of nature rarely experienced in an inner city apartment. The bedroom also overlooks the park & boasts an enormous walk in robe.
