Your Christmas present has arrived early this year, and it's here just waiting to be unwrapped and enjoyed throughout the Summer.

The best homes are the ones that make you feel at home the moment you step in the door, 4 Meruka Retreat does exactly that? From the moment you step inside you will feel at ease as the expansive living areas open up nicely and the warm natural light flows beautifully into this home. The extensive renovations will excite you as all the hard work is done and you can move in instantly and relax.

The living areas are air conditioned with evaporative plus refrigerated split systems, open plan and large enough to entertain your guests, both inside or out, as the alfresco feeds directly off the rear of the kitchen area and wow, what a huge backyard to enjoy, grow and develop however
