

16 Bayswater Street Bedford WA

4 2 2

With a floorplan that's flexible, and that works perfectly for the modern family, you're going to love the living and accommodation options this attractive home affords. This spacious home can be either 4 dedicated bedrooms, or 3 and a study, and is beautifully presented with an elegant formal lounge, and additional dining room that both feature rich parquetry flooring and offering lovely high ceilings, you will be keen to call this your home.

The Master bedroom is generous in size and is complimented perfectly by a renovated ensuite bathroom and walk in robe, as well as ceiling fan and reverse cycle air conditioning unit.

Stepping further into the home you have a spacious tiled lounge and meals area, that boasts both a combustion heater and along with a reverse cycle air conditioning unit
