The large 3 bedroom, 1 bathroom brick and tile home with wood flooring throughout, sits on a huge 954sqm block centrally located to the shopping centre and public transport and sits close to all major arteries including the Roe Highway.

The house itself features a large lounge at the entry with split system A/C with plenty of room for reading, relaxing or watching TV.

Cook up a storm in the revamped kitchen where storage certainly won't be an issue whilst you watch the family play
